Tour Itinerary

Mari Mari Cultural Village tour is located deep in the countryside 25 minutes away from the modern and developing Kota Kinabalu city. The village operates as a museum that preserves Borneo ethnic culture. It aims to **share the knowledge, history, culture, and tradition of Borneo** with you so that it is not forgotten.

The tour offers you the opportunity to see and experience the culture and lifestyle of how the indigenous ethnic groups of Borneo used to live in the olden days when electricity had not yet been introduced in their land.

The village features 5 different ethnic tribes in one village. They are the rice farmer Kadazan-Dusun, the longhouse resident Rungus, the hunters and fisherman Lundayeh, the cowboy and sea gypsy Bajau, and the famously feared headhunting tribe Murut.

The journey will take you to long roads surrounded by a rich spectrum of greenery and overarched by wild blue skies. Traditional huts sprout along the village with each tribe house offering a unique display of culture, folklore and lifestyle practices through interactive demonstrations for the whole family to participate in.

From blow-pipe shooting to rice-wine tasting, there's plenty to be thrilled about for the culturally-inclined. Besides sampling traditional treats that stood the test of time, grab the chance to witness a unique method of cutting tree barks into making traditional warrior vests. And if you're feeling rather frisky, jump for a "prize" on a built-in 'Lansaran', a traditional trampoline-like floor located in one of the tribe houses.

And to finally seal your enthusiasm for a local experience, a buffet spread consisting of exotic cuisines that are synonymous with Sabah's cultural identity.
